STEVE NASH YOUTH BASKETBALL

## Zig-Zag Slides

- Players in one line at corner of baseline
- In proper defensive stance, players slide between the sideline and imaginary line down the centre of the court
- When players reach the side or centre line, drop-step and change direction and then begin to defensive slide again
- When players reach the baseline, sprint to other side of court and repeat zig-zag defensive slides
>> Load:
- Add an offense player who runs in a zig-zag pattern down the court
- Defense should try to beat the runner to the sides in order to turn them
- Switch roles on the way back down the court
- Increase speed and intensity after several repetitions
